2018 - 2019 Academy Courses

HIP Pilates™ Matwork Foundation

Sunday 11 November 9am-2pm OR

Saturday 30 March 1pm-6pm

£250.00

HIP Pilates™ is an exclusive concept class, researched, developed and taught by Lisa Bradshaw. HIP Pilates™ is aimed at raising heart rate and improving overall functionality, strength, mobility and stamina. This exclusive class is not only ideal for the hard core Pilates fan, who would like a more intense cardio workout but also for those less adventurous clients who wish to challenge their balance and improve their functional strength without losing the true essence of the Pilates principles.

Each session is specifically structured to provide an all over body workout. Progressive choreography is incorporated to improve balance and co-ordination, precise functional movement aims to improve overall strength and mobility and the use of weights promises to increase cardio endurance and recovery. This combination of high energy, faster paced movement with the precision and focus of a traditional Pilates class creates a balanced and fun workout for everyone. This HIP Pilates™ Matwork Foundation course will equip you with all the principles and choreography needed to begin offering your clients a brand new product of HIP Pilates™ on the Mat.

On completion of the course, teachers will be invited to join the HIP Tribe™ offering marketing and branding support as well as access to online classes to encourage the development of their work.

The Ultimate Pilates Matwork Series

Principle Series (basic level)

Sunday 3 February 9am–5pm

Progressive Series (intermediate level)

Sunday 10 March 9am – 5pm

Classical Series (advanced level)

Sunday 19 May 9am – 5pm

£250.00 per Series OR

£650.00 for The Series of 3 (*if purchased and booked together*)

Each Series is a stand-alone workshop; each one focusing on a particular level of the Classical Matwork. As a collective it is The Ultimate Mat Series, individually the workshops are valuable insights. You are invited to attend one, two or all three workshops to give you an insight into teaching Matwork at all levels of experience and deepening your understanding of the method, both in your own practice and in your teaching.

The workshops will focus on movements and exercises that will lead to the ultimate goal of the Classical Matwork Series. Along the way we will finely tune key elements of the fundamental work and clarify correct body mechanics with the intention of attaining overall precision and mastery of the Pilates method. This course offers an enjoyable and effective way to deepen your knowledge and improve your teaching skills by revisiting the fundamental aspects from a brand-new perspective, whilst also exploring the advanced elements of the method. New repertoire will be taught, as well as clear guidance as to how each series can evolve.

This series of workshops is designed for teachers who hold a Level 3 Pilates Matwork qualification. Whether you have been a Pilates teacher for years or are new to teaching this course promises to enhance your expertise and re-ignite your passion for Pilates. The aim of these unique workshops is to offer further education to teachers who:

- still have questions or want clarification
- wish to progress their clients
- wish to improve their own Pilates practice
- want the latest knowledge regarding body mechanics and physiological information
